Thank you!

I want to thank you for all your kindness in helping our family. My son (the single father) has been out of work for quite a while. I am retired (66) with many health problems and I take care of my 93 year old mother. We try to help my son and the kids, but we are so limited in income.

My grandsons are great kids and deserve more than we can give them.

You are such a blessing! These presents will be under our tree for them on Christmas Day.

Thank you again for your generousity and kindness to this family.

Merry Christmas
and Best Wishes to all.
God Bless You!

Thanks for the much needed help on this Christmas. My family accepts and appreciates your acts of kindness during this holiday season. I'm sure I will have two smiling faces on Christmas thanks to you guys. It's been kind of rough this month. I had a stroke on Dec 1, 2014 at the age of thirty. It has been a mental battle but with GOD all things are possible and again thanks from all corners of my heart and I wish everyone a Merry Christmas.

With love,

I would like to thank all who have helped me over the holidays for my children. I am honored and blessed to be able to recive help during our time of need. I'm very greatful for my community and all the people who make it possiable for families of less fortunate than others. It brings tears to my eyes and fills my heart with hope, and to be able to smile knowing that my children will be very pleased and not disapointed because I am unable to provide these extra gifts to them. I'm a struggling parent trying to do everything to make sure that they are always happy and I give them my all. They mean the world to me. I would never be able too thankyou enough.

Happy Holidays,

I want to thank all involved for such kindness and generousity towards my family. The holidays can be a very hard time financially and emotionally for so many people and we tend to forget and not pay enough attention to the real meaning. But thru my struggles I have seen such a huge example of others kind hearts and I am so blessed! 152 Can't say THanks enough! The ~~Cardanes~~

I would like to thank you from the bottom of my heart for helping me make my kids Christmas magical! This year has been a nightmare for my kids & I. In January 2014 I was faced with the hardest decision I have ever faced in my life. My husband had repeatedly abused me (in front of my children) & I was finally strong enough to report the abuse & put a stop to the domestic violence in my home. I was trying to graduate college for Respiratory Therapy, deal with the devastation that the abuse caused my children & myself, & figure out how I was going to get a job & take care of my family. My kids & I have feared the holidays this year — worrying about this being the first Christmas without their Daddy (& without my husband) & them worrying we would not have the funds to have Christmas presents. My kids have miraculously managed to be safe, secure, happy, well behaved children. They have taught me the true meaning of resilience. I have since graduated from college, taken my state boards (in SC & GA) & became a "Licensed Respiratory Care Practitioner." I am desperately trying to get out of the financial "hole" my husband left us in. Thank you for finding it in your hearts to help me make my children's Christmas be the BEST Christmas they have ever have! You all are angels in disguise to me & my children!! Thank You again!!!

BE

WISHING YOU HAPPINESS
IN ALL THE TRADITIONS
OF THE SEASON.

May your holiday season be as bright & beautiful as you have made my family's Christmas be!!!
